About the 2024 Festival

The Art Walk Porty Festival presents a unique opportunity for practising artists to be part of a thriving event that celebrates the creative community of Portobello & Joppa. It's a chance for creative exchange with other artists and members of the public, as well as for opportunities to sell and promote your own work, set within the context of a larger festival that involves Art in Shops, Public Realm Commissions and related Live Art Events running across the full ten-day period.

Our Art Houses strand, as part of the festival, is a curated programme that shows a range of work and disciplines, with in the region of 25 houses/studios being accepted. This year we look to section the venues around 4 walking routes: North, South, East, West. We welcome creative approaches to the exhibiting of work and to artists embracing our 2024 eco-arts theme of UNDERCURRENT, which continues our commitment to delivering public realm works connecting to issues around ecological change specific to coastal change. We will be developing a participatory arts programme that centres on subjects of water and food security, farming, agriculture, and colonial histories.

Selection Panel

The selection panel will consist of members of the Art Walk Committee. The panel will consider:

- Strong evidence of artistic practice both in the local context and in a wider art context (exhibitions and development of artwork for other environments). This will be assessed from the evidence provided in the CV.
- A clear, well thought through and coherent approach to your art practice, showing quality, consistency and a professional approach to presentation across the work submitted. This will be assessed through the images of artwork provided.
- Response to the 2024 theme of UNDERCURRENT evident in the application, where that is appropriate.

Prices & Booking:

One weekend £85 | Both weekends £140 | Each additional artist £25 (up to max of 2 artists). We are keeping to participation fees at the same rate as charged in 2023.

A 10% commission is chargeable to Art Walk Porty on sales over £2000 per venue. By agreeing to be part of the event, you commit to including all sales made at your Art House during the period of the Art Walk in your calculations of the commission due.

We also invite artists to open their studio during the week (9 to 13 Sept) by appointment only.

We will confirm all artist bookings for our curated programme via email by **12 April 2024** with requests for payments made at this same time (to be received no later than **15 May 2024**).
